IV. Updates and Progress Reports:

a. Financial report

1. Recreation is down \$34,155 total year-over-year decrease, \$11,208.50. This decrease should eventually catch up as these outstanding invoices are paid. The decrease in year-over-year daily admissions of 13% or \$4680 is largely a decline in Guest Daily Admissions. In contrast to last year, we are currently experiencing a great snow year. Guests may be skiing more this year instead of frequenting the rec center.
