

June 9, 2020

Dear Patrons,

We hope everyone is doing well. During these unprecedented times, the Aspen Recreation Department staff is working together with the proper authorities to reopen some of our facilities and programming for your use.

All four of the Iselin pickleball courts and the tennis court are now open for public use all summer. Public health code guidelines are in place.

The Aspen Tennis Club is open with five courts. Monthly & seasonal passes are available for purchase, [click here](#) for pricing and to review the COVID-19 rules that are in place. Clinics are scheduled to begin on June 22nd. Information will be updated on the website as it becomes available, [AspenTennis.com](http://AspenTennis.com). Please call to book a court at (970) 429-2869.

The City of Aspen Day Camp opened yesterday, June 8th, with some strict guidelines, limitations, and protocols in place for the safety of the children and our staff. It was great to see our camper's happy faces. Parents of previous campers, please check your email for a message from the staff. Read the summer 2020 Camp [information here](#). Additionally, we have compiled a list of other summer camp offerings around the community, [click here](#).

We will be advertising for registration this week for summer programming beginning June 29th for: modified coed adult softball league, youth baseball, youth t-ball, and adult kickball. Please see our website for more information.

Lewis Ice rink and the lap pool will tentatively open for our youth organizations beginning on June 15th. Please contact your organization (Aspen Junior Hockey, Revolutions, Aspen Skating Club, Aspen Swim Team and Adult Masters Swim Club) to see how the re-opening will commence. Please note there will be some additional repair projects in the pool this summer that will result in additional shut down times.

We will begin outdoor fitness classes in the coming weeks. Please visit our website for how to sign up.

All 3rd party athletic organization can begin to use fields for summer uses.

We are working diligently on a safe reentry plan for public uses of the lap pool, ice rink and weight room. We appreciate your patience as we plan safe ways to reopen these amenities.

If you are looking to reserve a field please contact Desiree Whitehead at [desiree.whitehead@cityofaspen.com](mailto:desiree.whitehead@cityofaspen.com) to review the process and complete the field safety checklist .

We will keep you posted as more information becomes available. Thank you for your understanding.
