Weather Clause/Rainout Hotline

We try to do our best to give everyone the most amount of notice possible. Please understand that facility decisions in regards to weather are a cooperative effort between the Aspen Parks and the Aspen Recreation staff, both parties doing their absolute best to support the other. When we call games for weather, please believe that we rarely have a choice.

PRE-SEASON CAPTAINS MEETING

THE 2019 SCHEDULE LOTTERY

- ↳ **The Pre-Season Schedule Lottery will be held at the Annual Pre-Season Captains/Managers Meeting on Sunday, June 2nd, 2019.**
- ↳ **Teams get to select their Team Schedule in the order they are picked from the Lottery.**

Lottery Protocol;

1. Each League will hold it's own respective Lottery "drawing", and to begin, teams are allotted "tickets" based upon the following criteria;
 - 1.1. Every team gets ONE (1) ticket added to the drawing for registering for the league.
 - 1.2. Every team gets FIVE (5) tickets added to the drawing for being present at the Pre-Season Captains/Managers Meeting.
 - 1.3. Every team gets FIVE (5) tickets added for having TEN (10) players registered in the AspenRecreation.com system for your team, and ONE (1) additional ticket for every player over 10 registered in the system for your team.
2. Once tickets are collected/distributed, each league's teams will be mixed together and blindly picked at random by the commissioner, until each team has been drawn and added in order of appearance in the drawing to the "Schedule Draft" order.
 - 2.1. Tickets will be mixed in a sealed container and shaken vigorously.
 - 2.2. After 10 seconds of continuous shaking, the commissioner will set the container on a surface, and reach for the bottom center of the container without looking directly into the container.
 - 2.3. The commissioner will attempt to pick up the first ticket he secures a firm and singular (no other tickets in-hand) grasp on.
3. Once the "Schedule Draft" order is determined for each league, Team Captains/Managers or present representatives (must be registered members of the team in the AspenRecreation.com system) may choose from the available (and unpicked) numbered Team Schedules.
