4. Coaches are the referee for games. Kindergarten and U8, just let them have FUN (meaning don't call too many fouls) Basically, if a player pushes or collides out of control with another player, there will be a change of possession. We will do throw in's for all leagues. Off-sides will be called for U10 games only. Indecent play and hand balls will be penalized with direct kicks for U10. NO slide tackles for all leagues.
5. Coaches, please make sure that parents and spectators are respectful and sportsman-like. The referee/coaches have the right to ask spectators to leave the field if they are inappropriate. Parents are not permitted to coach. They can only cheer!
